Dear Howard:

The attached article appearing in the Boulder Daily Camera on May 4, 1967 gives evidence that Dave Mosher, formerly Scoutmaster of Troop 79, Lafayette, Colorado, has been charged in a morals case.

I am advised by Jack E. Bennett of our staff upon his thorough investigation of the matter, that there is every reason to believe that the charges are valid and that the man should be removed from our active roster and his name placed in the "confidential file". An interview with the Neighborhood Commissioner serving the unit further substantiates this conclusion.

He has been replaced as the Scoutmaster of Troop 79 by Frank Peck, and to our knowledge no publicity indicating his relationship to the Boy Scouts of America has appeared in any of the Boulder or Denver papers.

Enclosed also is the man's registration card, voluntarily surrendered by him.

Thank you for your attention to this matter. Best wishes.

Sincerely yours,
